5. GENERAL BUSINESS

Councillors advised that the April Council meeting to be held on Thursday would commence at 10.00 am.

Department of Local Government would be carrying out Councillor training following the conclusion of this meeting.

There were discussions regarding the boundaries of the Bio Security area and where people were able to travel for food and supplies only.

Steve Linnane Director of Corporate Services spoke about the pack provided to Councillors especially the Related Parties form and the Register of Interest form. Steve advised that if the Councillors wished they could make an appointment and he would help them fill out the forms.

Advice that Council should look into getting the SES back on track in Doomadgee and get it up and running.

Steve Linnane advised that the 51st Battallion of the Army Reserve may be available to carry out training. It may be a good idea to see if anything was available.

6. CLOSURE OF MEETING

The Meeting closed 11.24 am.

Jason Ned
