

DOOMADGEE

solar projects

The solar farm is expanding

Doomadgee Aboriginal Shire Council is working with the Queensland Government, Yurika and Ergon Energy to expand the solar farm in Doomadgee.

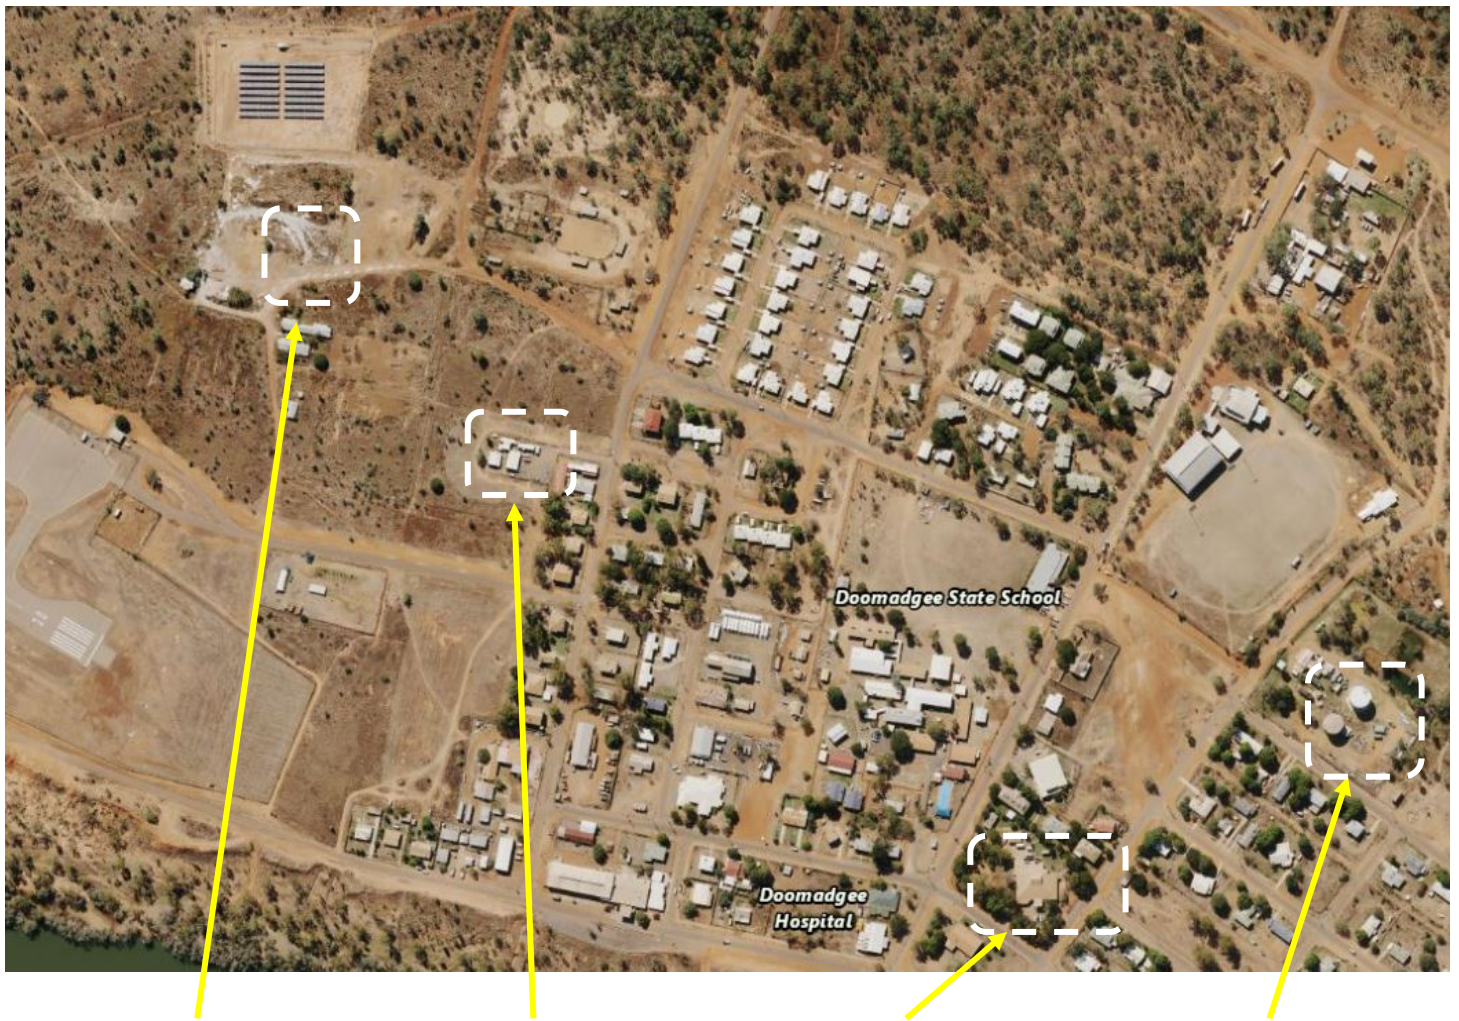

This Project is a partnership of Doomadgee Aboriginal Shire Council, Yurika and the Queensland Government

DOOMADGEE

solar projects

Rooftop solar for council buildings

Solar is being installed on a number of council buildings. This will help reduce council power bills—money that will stay in the community.

New work shed

Contractor's quarters

Council chambers

Water treatment facility

Queensland Government
