

So you want to be a councillor in 2020?

Queensland's 77 councils need mayors and councillors that reflect the diversity of our communities.

By becoming a councillor, or even just running for election, you can make a positive difference to your local community.

Compulsory candidate training

All candidates for the March 2020 election need to complete free online training. Alternatively, you may be able to access a free face-to-face training session in your area. Get the training done early so you know all your campaign obligations.
